EVENTS

PARENTS,

WE HOPE YOU ARE AS EXCITED AS WE ARE FOR...

THANK YOU FOR SIGNING YOUR CHILD UP!

This information booklet has been created to provide you with everything you need to know ahead of the day, from schedules and costumes to tickets, safety, and key expectations. Please read through carefully and keep it for reference as the event approaches.

IMPORTANT DETAILS

Event Name:
Movie Magic Showcase

Date:
Sunday 29th March

Venue:
**Woldingham School
Marden Park
Woldingham
Surrey
CR3 7LR**

- **IMPORTANT UPDATE – ARRIVAL & ACCESS (PLEASE READ CAREFULLY)**
- This is a change to the original information previously sent out.
- We now have access to two entrances to the school and will no longer be operating a one-way system.

You can enter either via Woldingham Road entrance CR3 7LR or the Oxted/Flower Lane entrance (back barrier) RH9 8DG. The code for the back barrier will be 2803 (this entrance will not be manned and please park in the first car park you come to, which will be on your right and walk to the auditorium by following the signage).

The front gate and back barrier will be open 15 minutes before registration and will close at the start of the show.

Please still allow plenty of time for your journey, as the drive through the site can take around 10 minutes, and depending on where you park, there may be up to a 10-minute walk to the auditorium. If coming through the front drive/Woldingham Road entrance, please follow the 3-car rule: a maximum of 3 cars should wait in a passing layby. If 3 cars are already waiting in a passing bay ahead, please wait in the bay behind until oncoming traffic has passed and the bay in front is clear. This method works well and ensures traffic flows smoothly.

We will not be able to delay the start of the show for late arrivals – arriving late may mean you miss your child's performance.

REQUIREMENTS & EXPECTATIONS

All gymnasts will rehearse their routines during their usual classes for the 6 weeks leading up to the showcase.

Attendance during this period is strongly encouraged to ensure confidence, safety, and performance readiness.

COSTUME INSPO

Now that you know your child's theme, please see the mood boards below for outfit inspiration.

These ideas are simply **suggestions**, you're very welcome to recreate them, mix and match elements, or add your own creative touch.

To help keep costs manageable for families, we've explored a variety of budget-friendly options and included a range of costume suppliers. We also encourage Gymspire families to connect with one another where possible, whether through our Facebook page ([click here for the link](#)), purchasing multipacks together, or exploring pre-loved items on platforms such as Vinted.

Feel free to be as bold, colourful, sparkly or fun as you like!

Multiple Performances in the Same Show

If your child is performing more than once within the same show, we will make the necessary arrangements for them to have a 'quick change' on the day.

Your child should:

- Arrive wearing their first performance attire
- Bring their second performance attire in a clearly labelled bag, which will be collected on arrival

This helps us ensure everything runs smoothly and that your child is ready for each routine on time.

Important

If your child does 2 classes or more and does NOT want to do all performances, you must get in contact with us ASAP to confirm which performance they will not be doing!

Thank you!

Do you have children participating in multiple shows?

If you have two children performing in different shows, each child will still need their own ticket to have a seat. These tickets will be free, but they must still be booked.

Please select the “Gymnast participating in another show” ticket option for the relevant show for each child.

WE NEED YOUR HELP!

WE NEED HELPERS ON THE DAY!

Would you like to be part of the magic? We'd love your support.

We're looking for:

- Fire Marshals – monitoring fire doors during the show
- Chaperones – supporting coaches and helping children backstage (DBS required)

And the best part...

If you volunteer during your child's performance, you'll be able to watch their show for FREE, and we'll reserve a seat for you in the auditorium.

If you're able to help, please email jo@gymspireacademy.com we would be truly grateful to have you on board.

TRAVEL & PARKING

Please note that the entrance to the school gate is 2 miles away from the school front doors. This road in places is narrow therefore please ensure you travel in convoys (groups) of 3 cars or less. Postcode is CR3 7LR.

On arrival, the parking marshals will guide you to the correct carpark.

Please be respectful and ONLY park in designated parking areas (in the bays) or as guided by the marshals. Do NOT park on grass verges or on the road that runs through the school.

Please note that once parked there may be a 5 min walk to the school, so please allow time to ensure prompt registration..

IMPORTANT UPDATE – ARRIVAL & ACCESS (PLEASE READ CAREFULLY)

This is a change to the original information previously sent out.

We now have access to two entrances to the school and will no longer be operating a one-way system.

You can enter either via Woldingham Road entrance CR3 7LR or the Oxted/Flower Lane entrance (back barrier) RH9 8DG. The code for the back barrier will be 2803 (this entrance will not be manned and please park in the first car park you come to, which will be on your right and walk to the auditorium by following the signage).

The front gate and back barrier will be open 15 minutes before registration and will close at the start of the show.

Please still allow plenty of time for your journey, as the drive through the site can take around 10 minutes, and depending on where you park, there may be up to a 10-minute walk to the auditorium. If coming through the front drive/Woldingham Road entrance, please follow the 3-car rule: a maximum of 3 cars should wait in a passing layby. If 3 cars are already waiting in a passing bay ahead, please wait in the bay behind until oncoming traffic has passed and the bay in front is clear. This method works well and ensures traffic flows smoothly.

We will not be able to delay the start of the show for late arrivals – arriving late may mean you miss your child's performance.

ADDITIONAL INFORMATION

Wheelchair access is available. If you require this, please let Gymspire Academy know in advance so we can notify the venue and ensure everything is prepared for your arrival.

To help everyone enjoy the performance, filming and photography by audience members are not permitted during the show. **A professional videographer and photographer will be capturing the event**, and copies of the photos and videos will be available to purchase on the day and after the event. By allowing your child to take part in the event, consent is given for them to be photographed and filmed as part of the performance and event coverage. We'll also let you know when the full show recording becomes available in our online shop.

A bar will be open on the day serving teas and coffees until midday, with alcoholic drinks available from midday onwards. A selection of bar snacks will also be on sale.

Please note that outside food & drink is not permitted in the theatre, and only screw-top drinks may be taken into the auditorium.

If you have any questions ahead of the event or need further assistance, please don't hesitate to get in touch with the Gymspire Academy team, we're always happy to help.

**Most importantly, we can't wait to see you there
and share a fantastic day together!**
