

PRAYER: "That all children and youth throughout the world will come to know, love, and serve the Lord Jesus Christ."

The goal of Awana is to get as much of God's Word as deep into the hearts of as many children as we can.

Awana helps provide the foundation kids need to be rock-solid in their beliefs & living out their faith...

- Over half of all church-going teens abandon their faith after high school & the majority of children from Christian homes leave the church by age 19 — BUT, 92.7% of Awana alumni continue to regularly attend church as adults.
- As few as one in 10 church-going teens possesses a biblical view of God & the world — BUT, Awana alumni are found to be more devoted to God, His Word and their local church than even the nation's most committed churchgoers.
- Our desire is to partner with you, parents & grandparents, to help build that Biblical foundation our kids need now more than ever.

Dear Parent / Guardian,

Join us in praying for a Spirit-filled club year!

You're invited to also grow in your knowing, loving, & serving Jesus along with your clubber—join the adults in Wednesday activities or ask how you can help in club.

Please take note:

6 P.M. Family Meal. Parents are asked to supervise their children until pledges at 6:25 P.M.

7:30 P.M. Dismissal

The gym floor is reserved for our 4:12 YOUTH (Grades 7-12) before and after club times.

Dress Code (Sparks / T&T): Follow school system dress code for gym activities (for modesty & safety); tennis shoes
Uniform = standard dress code plus club-assigned vest or shirt once it has been earned & issued.

Handbooks & Uniforms:

- HBC will provide a clubber's first book and uniform and also when a clubber advances to the next handbook level and/or to the next club (at the start of a new club year)
- Parents are responsible for replacing lost items and purchasing vests/shirts a child has outgrown.
- Clubbers must have their own handbook in order to receive credit for work completed.
- Handbooks are designed to be completed one handbook per year. Those who complete their handbooks early are encouraged to complete the review and/or extra credit portions of their books for the remainder of the club year.

Other:

- **Visitors:** Clubbers are encouraged to bring friends with them to club. Please keep in mind, however, that certain activities must be structured to give each child the time they need with adult leaders in learning from the Bible. We will do our best to keep visitors with their friends, but this may not be guaranteed for the entire club night.
- **5-Count:** this is used to regain the attention of small or large groups. When the adult leader begins the 5-count, everyone (children & adults) should stop whatever they're doing, raise their hand & count, with their fingers only, giving their full attention to the leader.
- **3-Count:** this is used for individual clubber discipline, given one-on-one from a leader to a clubber. Consider 1-count as letting your child know what specific behavior is being unacceptable; 2-count as more urgent warning with a second leader present; 3-count as final warning & parent/guardian notified.
- **Sickness Precautions:** please do not bring your child to club if they are sick or running a fever.
- **Cancellations:** Should "in person" club nights be cancelled for any reason, assigned lessons will continue "at home" and continue on schedule at the next meeting.
