## INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Board of Directors of  
**Minden Community Food Centre**

We have reviewed the accompanying financial statements of Minden Community Food Centre (the "Organization") that comprise the statement of financial position as at December 31, 2025, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Practitioner's Responsibility*

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

### *Basis for Qualified Conclusion*

In common with many not-for-profit organizations, the Organization derives revenues from fundraising activities and donations, the completeness of which is not susceptible to us obtaining evidence we considered necessary for the purpose of the review. Accordingly, the evidence obtained of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were unable to determine whether any adjustments might have been found necessary with respect to fundraising activities and donations, excess of revenues over expenditures, and cash flows from operations for the years ended December 31, 2025 and December 31, 2024, current assets as at December 31, 2025 and December 31, 2024, and net assets as at January 1 and December 31 for both the 2025 and 2024 year ends. Our conclusion on the financial statements as at and for the year ended December 31, 2024 was qualified accordingly because of the possible effects of this scope limitation.

**INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT, continued**

*Qualified Conclusion*

Based on our review, except for the effects of the matter described in the *Basis for Qualified Conclusion* paragraph, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Minden Community Food Centre as at December 31, 2025, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

*Emphasis of Matter*

We draw attention to note 4 of the financial statements, which describes a prior period adjustment related to an error in the recognition of non-market interest on its long-term debt. Our conclusion is not qualified in respect of this matter.

A handwritten signature in black ink that reads "Ascend". The letter "A" is large and stylized, with a long horizontal stroke extending to the right. The word "scend" is written in a simpler, cursive-like font. A thick, curved underline is drawn beneath the entire signature.

# **MINDEN COMMUNITY FOOD CENTRE**

## **NOTES TO THE FINANCIAL STATEMENTS**

**December 31, 2025**

---

### **1. NATURE OF OPERATIONS**

Minden Community Food Centre (the "Organization") is a not-for-profit organization incorporated under the Corporations Act of Ontario. The Organization was formed to provide food bank services to the community. As a registered charity, the Organization is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

### **2. SIGNIFICANT ACCOUNTING POLICIES**

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Revenue recognition**

The Organization follows the deferral method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Externally restricted contributions are recognized as revenue in the Restricted Funds when the conditions of the restriction have been satisfied.

Internally restricted funds are transferred from net assets for specific purposes. Their usages are at discretion of and as approved by the Board of Directors.

Government grants are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Interest income is recognized as revenue when earned.

Fundraising revenue is recognized when an event is held, and the amount can be reasonably estimated, and collection is reasonably assured.

#### **Tangible capital assets**

Tangible capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a declining balance basis at the following rates:

|                        |     |
|------------------------|-----|
| Equipment              | 20% |
| Furniture and fixtures | 20% |
| Computer equipment     | 55% |

The Organization regularly reviews its tangible capital assets to eliminate obsolete items.

Tangible capital assets acquired during the year but not available for use are not amortized until they are placed into use.

Amortization is recognized beginning in the month the tangible capital asset is available for use until the asset is disposed of or use is discontinued.

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2025**

---

**2. SIGNIFICANT ACCOUNTING POLICIES, continued**

**Contributed materials and services**

Volunteers contributed time to assist in the Organization's activities. While these services benefit the Organization considerably, a reasonable estimate of their amount and fair value cannot be made and, accordingly, these contributed services are not recognized in these financial statements.

Contributions of materials are recognized at fair market value only to the extent that they would normally be purchased and the fair value can be reasonably estimated.

**Fund accounting**

The Organization follows the deferral method of fund accounting.

The General Fund accounts for the Organization's general operations. Unrestricted contributions and restricted contributions to be used for operations are reported in this fund.

The Capital Reserve Fund accounts for all items related to future building improvements or renovations. Internally restricted contributions to be used for building projects are reported in this fund.

The Contingency Reserve Fund accounts for funds set aside to cover unexpected expenses or emergencies. Internally restricted contributions to be used for emergencies are reported in this fund.

**Inventory**

Inventory is measured at the lower of cost or current replacement cost as it is held for distribution at no charge or for a nominal charge, with cost being determined based upon the year end inventory count.

The amount of inventory included in expenses is \$132,638 (2024 - \$102,227).

**Cloud computing arrangements**

The Organization has applied the simplification approach, as permitted by Accounting Guideline AcG-20, Customer's accounting for cloud computing arrangements, in accounting for its cloud computing arrangements. The Organization allocates the consideration of the agreement between all of the significant separable elements, and recognize the expenses related to such arrangements that fall into the scope of AcG-20. These expenses are treated as the supply of services and recognized as expenses when the Organization receives the services. The Organization recognizes a prepayment as an asset when payments for goods and services are made in advance. Implementation costs were and continue to be expensed as incurred. The amount recognized as an expense as regards to software services in cloud computing arrangements totals \$1,833 (2024 - \$1,093). These expenses are presented under the "Cloud computing agreements" heading in the Statement of Operations.

**MINDEN COMMUNITY FOOD CENTRE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2025**

---

**2. SIGNIFICANT ACCOUNTING POLICIES, continued**

**Financial instruments**

**Measurement of financial instruments**

The Organization initially measures its financial assets and liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of the transaction costs directly attributable to the instrument. Amounts due to and from related parties are measured at the exchange amount, being the amount agreed upon by the related parties.

The Organization subsequently measures its financial assets and liabilities at cost or amortized cost, except equity securities quoted in an active market, which are subsequently measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash and cash equivalents, guaranteed investment certificates, contribution receivable and loan receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and long-term debt.

**Impairment**

For financial assets measured at cost or amortized cost, the Organization determines whether there are indications of possible impairment. When there is an indication of impairment, and the Organization determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in income. A previously recognized impairment loss may be reversed. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in income.

**Cash and cash equivalents**

Cash and cash equivalents include cash and short-term investments with maturities of three months or less from their date of acquisition, which are readily convertible into a known amount of cash, and are subject to an insignificant risk to changes in their fair value.

**Measurement uncertainty**

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reported period. These estimates are reviewed periodically and are reported in earnings in the period in which they become known. Actual results could differ from those estimates. Significant items subject to estimates and assumptions include:

- Amortization of tangible capital assets;
- Estimated useful lives of tangible capital assets; and
- Unamortized non-market rate of interest.

**MINDEN COMMUNITY FOOD CENTRE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2025**

---

**3. FINANCIAL INSTRUMENTS RISKS**

The Organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Organization's risk exposure and concentration as of December 31, 2025:

(a) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Organization is mainly exposed to interest rate risk.

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Organization is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fixed-rate financial instruments subject the Organization to a fair value risk, while the floating-rate financial instruments subject the Organization to a cash flow risk.

(c) Liquidity risk

Liquidity risk is the risk that the Organization may not have cash available to satisfy financial liabilities as they come due. Management oversees liquidity risk to ensure the Organization has access to enough readily available funds to cover its financial obligations as they become due. The Organization manages liquidity risk by continuously monitoring actual daily cash flows and longer term forecasted cash flows and monitoring the maturity profiles of financial assets and liabilities. The Organization is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, accounts payable and accrued liability and long-term debt.

Unless otherwise noted, it is management's opinion that the Organization is not exposed to significant credit, currency or other price risks arising from these financial instruments.

**4. PRIOR PERIOD ADJUSTMENT**

During the year, management identified an error in its financial statements relating to its non-interest bearing note from Haliburton County Development Corporation loan.

The prior period adjustment resulted in a decrease to net assets and increase to long-term debt of \$14,362 as at January 1, 2024 and a decrease to opening net assets of \$10,609 as at January 1, 2025 and a decrease to interest on long-term debt of \$3,573 as of December 31, 2024.

**5. GOVERNMENT GRANTS**

During the year, the Organization received a Standards of Excellence grant from Food Banks Canada.

**MINDEN COMMUNITY FOOD CENTRE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2025**

**6. GUARANTEED INVESTMENT CERTIFICATES**

The Organization invests in Guaranteed Investment Certificates with terms of less than one year. The average interest rate on the certificates held during the year was 3.05% (2024 – 1.31%).

Interest income earned on these investments is unrestricted and is used to support the Organization's program operations.

**7. LOAN RECEIVABLE**

|                                                                                                                                                                          | 2025      | 2024<br>(Restated) |

| 2026                                                                                                                                                                                    | \$ 12,000   |                                           |
| 2027                                                                                                                                                                                    | 4,836       |                                           |
|                                                                                                                                                                                         | \$ 16,836   |                                           |

The Organization is recognizing interest on long-term debt for the non-market rate of interest on a declining basis over the term of the loan.

**11. INTERFUND TRANSFERS**

During the year, the Organization transferred \$86,293 (2024 - \$300,000) from the General Fund to the Contingency Reserve Fund, and \$0 (2024 - \$200,000) from the General Fund to the Capital Reserve Fund, to fund future building improvements or renovations and to cover unexpected expenses or emergencies.

**12. COMMITMENT**

The Organization has a lease with respect to its premises expiring in June 2027. The monthly payment is \$2,600 plus HST.

The future minimum lease payments are as follows:

|      |           |
|------|-----------|
| 2026 | \$ 31,200 |
| 2027 | 15,600    |

**13. CONTINGENT LIABILITIES**

For the purpose of the accompanying financial statements, contingent liabilities have been evaluated by management

There were no contingent liabilities that would have a material impact on these financial statements.
