# The *Neigh-borly* NEWSLETTER

MONTHLY DIGEST: Vol. 06

## Love is in the Air!

*"This is my commandment: Love each other in the same way I have loved you." (John 15:12)*

Today is Valentine's Day - a day to celebrate eros love - complete with cupid's arrows, balloon bunches and candy kisses. Some say it's just a holiday made up by the greeting card, flower & candy industries to sell more goods. I get that skepticism, but all cultural assumptions aside, whatever way you choose to think about the purpose of this day - or any day - will determine how you show up in your relationships. The design for life is love.

*There is no greater love than to lay down one's life for one's friends.*

*John 15:13*

Let's face it; if you're going to do it the way Jesus did it, **LOVE IS HARD TO DO**. And according to the Bible there is no other way than Jesus' Way. **That**, right there is why many people reject Jesus and His teachings as they're written in the Holy Scriptures. (See John 14:6 for reference.)

The hardest-learned lessons of my life involved losing someone I said I loved, because I refused to lay down my life for them. I have also (temporarily) lost at love when another would not lay down their life for me at times when I needed them most. It makes you wonder what exactly is this "life" that love requires. You may find a few hints on page 2 of this Neigh-borly Newsletter, under the One Way/One Truth/One Life heading. Also, in this newsletter you'll read about our upcoming events, volunteer opportunities, some Jesus wisdom, Horse Power Hour, free transportation to a recovery meeting, TFO Equine Partner, Double-R-Faith, and more!

Co-Founders of Too Far Out Farm, Mike & Deb Peterson visited Presque Isle State Park last month. If you stretch your imagination, you may see a misshapen heart in the sky behind them. The irony of that deformed symbol of "amour" looming in the sky above, will not be lost on anyone who knows anything about the rocky road of love & recovery that these two travel together!

## TFO Equine Partner Spotlight: FAITH

Double-R-Faith found her way to our little farm and into our hearts in October of 2023 when she was just a 7-month-old weanling. She was bred in Cambridge Springs, PA by Benda Anthony of Anthony Acres and foaled on April 6, 2023.

Now that Faith is almost three years old, we are preparing to send her out for some professional training. Originally, the plan was for Debbie to train her. Its been a long-time aspiration of hers to raise & train a baby horse from beginning foundation to finished riding horse. Well, that dream will wait, because two shoulder injuries from two separate, (*non-horse related*) accidents in 2025, and a subsequent shoulder replacement surgery, put a kaibosh on Debbie's dream, for now. For more about our "Faith journey", read the [early training blog posts](#) (*stories from before Deb broke her shoulder!*)
