The Shops at Corning Museum of Glass

Did you know that the Museum has a retail section that spans 18,000-square-foot? It's true—The Shops at The Corning Museum of Glass in one of the largest Museum stores in the country and features plenty of incredible finds for any taste and budget.

The Shops feature eight individual boutiques—each with their own personality and selection of products in addition to serving as the primary retail outlet for Steuben Glass.

Flameworking demos

Turn up the heat with a visit to the **Windows Gallery** throughout the day to see our talented flame workers shape rods and tubes of glass into an array of objects with the help of a 4,000°F torch.

Make Your Own Glass

You and your family can do just about anything with glass, with the help of our experienced glassworkers.

Café

Take a break during your visit, whether you just need a quick coffee or a larger meal. Eat in the soaring, light-filled spaces of the Café, which offers several dining options for visitors.
