MISCELLANEOUS:

Mitch reported that the WTP upgrade is proceeding. The 2 ½ million gallon tank is ¾ full. A leak and bacteria test will be performed when complete. He also stated that the WPCP had started the portable belt press on December 15 and they are hoping to be done by January 8th, 2021.

He commented that the City had received a donation of evergreen trees from Yule Tree farms that were planted at Shawmut Park.

Mayor comments on the winter storm that started last evening and that city residents need to be reminded not to shovel or snow blow the snow into the street. Also, that cars should be removed from the streets before winter storms to make snow removal easier for the DPW crews.
