RESOLVED, that claims in the amount of \$367,074.18 be approved and paid as audited. Carried-Ayes all (X)

MISCELLANEOUS:

Members of the Board toured the Water Filtration Plant. Dave Reitenauer of DN Tanks showed them the new tanks and Leonard Fucci gave them a tour of the inside of the plant and clarifiers. Mayor stated that it is an impressive multi-step project getting the water from point A to point B.

Mitch Cornish stated that the DPW is in the process of finishing up paving for the year. They are paving the East end of Scott to Duane Street. They plan to pave Sutherby next week and finish up with pothole paving. The street sweeper is presently broken with garage personnel working on it and Friday the 16th will be the last night for the sweeper. Once again, reminding residents to not rake leaves into the street. The East Main Street bridge deck has just been poured and they are hoping for an opening by the end of November. The WPCP upgrade is moving along and the SPDES permit is nearly complete.

The parking request from RB Development was tabled for further investigation.

Commissioner Liberto predicted a warm wet winter. All agreed that we hope he is correct.
