

A Message from the Chamber...

Building Community Over Lunch in Glendale Heights

On Wednesday, January 21, the Glendale Heights Chamber of Commerce hosted a luncheon at **Pronto's Pizzeria**, located at **2260 Bloomingdale Road** in Glendale Heights. The event brought together a mix of familiar faces and first-time attendees, including representatives from local businesses, not-for-profit organizations, and staff from the Village of Glendale Heights.

The event opened with informal networking and conversation before guests were seated. Attendees then went around the room to introduce themselves and share one goal they hoped to achieve in the new year. Guests then enjoyed an all-you-can-eat buffet featuring salad, pasta, and a variety of pizza selections.

During the luncheon, attendees welcomed **Afito Chiu**—Accountability Coach, Community Momentum Leader, and founder of **The Balanced Professional Works**. Ms. Chiu spoke to the group about ways to manage the demands and opportunities that 2026 brings.

A special thank-you goes to **Pronto's Pizzeria** for hosting the Chamber's first event of the year. Guests enjoyed excellent service, with drinks continuously refilled and a buffet that was consistently replenished, allowing everyone to return for seconds.

If you get the chance, be sure to check out Pronto's Pizzeria for catering, full-service dining, or takeout and delivery!
