

A Message from the Chamber...

After Hours Event at Pronto's Pizzeria

On Wednesday, April 15, [Pronto's Pizzeria](#) hosted our After Hours event, bringing together community members for an evening filled with lively conversation, delicious food, and meaningful connections. Guests enjoyed a welcoming atmosphere as they gathered over freshly prepared pizza and a variety of appetizers, creating the perfect setting to unwind, network, and strengthen relationships within our local business community.

We were especially grateful for the attendance of Mayor Giannelli and Village Administrator Doug Flint, whose presence highlighted the strong partnership between local leadership and our Chamber. Their engagement with attendees added a special touch to the evening and underscored the importance of collaboration in supporting our community's continued growth and success.

We also extend our sincere thanks to the many Chamber members and guests who took time out of their busy schedules to join us. Your participation is what makes these events so valuable and enjoyable. From reconnecting with familiar faces to meeting new ones, the evening truly reflected the spirit of community that defines our organization.

A special thank you goes to the team at Pronto's Pizzeria for their generous hospitality and for providing such an inviting venue. Their commitment to excellent service and quality food helped make the event both memorable and successful. We look forward to continuing to host gatherings like this that bring our community together and foster lasting connections.

Tables of Interest: Multi-Chamber Progressive Luncheon

The Tables of Interest Multi-Chamber Event on Wednesday, April 22 offered a refreshing twist on traditional networking, bringing together great conversations—without the usual awkward introductions.

Rather than exchanging business cards from table to table, participants chose discussions based on shared interests, with topics ranging from wine, books, and travel to AI. This format created a more relaxed environment where connections formed naturally.

A special thank you to the Carol Stream Chamber for hosting and organizing the event. The Glendale Heights Chamber was proud to partner with the Bartlett Area, Bloomingdale, and Glen Ellyn Chambers.

We also appreciate the table captains—including our Chamber President, April Hieronymus—who helped keep discussions engaging and on track.

Overall, the event proved that networking can be both meaningful and fun when it's built around shared interests and authentic conversation.
