Glendale Heights Chamber of Commerce Honors 2025 Kathy Guzlas Scholarship Recipients

On Wednesday, June 4, 2025, the Glendale Heights Chamber of Commerce hosted its annual Scholarship Luncheon, celebrating the recipients of the Kathy Guzlas Scholarship. Established in 2000, this scholarship fund supports graduating high school seniors from Glendale Heights—or those whose parent or guardian belongs to a Chamber member organization in good standing—who have demonstrated exceptional leadership, volunteerism, and academic achievement.

Inspired by Kathay Guzlas, who championed the effort to ensure local graduates had scholarship opportunities within their own community, the Chamber renamed the fund in her memory and has awarded tens of thousands of dollars in scholarships over the years. This year, four remarkable students were selected from a competitive group of applicants:

Ella Formanski

High School: Glenbard West High School
College: University of Kansas
Future Plans: Interior Architecture

Brianna Kaptur

High School: Glenbard West High School
College: University of Wisconsin–Whitewater
Future Plans: Forensic Chemist or Legal Professional

Allison Landgraf

High School: Benet Academy
College: Marquette University
Future Plans: Nursing

Ayushi Patel

High School: Glenbard West High School
College: University of Illinois
Future Plans: Dentistry

The luncheon brought together scholarship recipients and their guests, Chamber members, local officials, and community supporters. Attendees enjoyed lunch and a heartfelt program, which included remarks from Village President Rebecca Giannelli and a touching remembrance of Kathy Guzlas delivered by her friend, Debbie McKenzie.

Each recipient was introduced by a member of the Chamber executive board and awarded a \$1,000 scholarship check to support their college education. The students then shared brief, inspiring remarks about their journeys and future aspirations.

At the end of the event, attendees expressed their pride in these bright and talented individuals who represent the promise and potential of the Glendale
