

People Map

1. Draw your home base.
2. Draw out potential first, second, and third places where people gather.
3. Is there any place on the map where someone on the team goes frequently?
4. Do you have a person of peace in one of these locations already?
5. Prayerfully decide which possibilities have the most potential. Rank them with 1 being the possibility with the most potential.
6. Who will take responsibility for the potential locations/networks/people?
7. What's the next logical step?
