

# **APPLICATIONS TO THE NUTTALL TRUST**

(Registered Charity No 1085196)

## **Your local project or community organisation may be eligible to apply for funding**

The Nuttall Trust is a charity set up in 2001 to provide financial support for local or individual projects and community organisations and clubs based in the villages of Brent Knoll, East Brent (including Rooksbridge and Edingworth), Lymsham and Mark and for individual or groups of residents of those villages. It was made possible by the generosity of Mr. and Mrs. James Nuttall who left part of their estate for that purpose.

During the past 24 years, the four trustees (one to represent each of the four communities) have been able to provide varying sums of money to the vast majority of applicants who have applied, supporting more than 500 different projects and causes. In making available such sums, the trustees seek to balance the needs and resources of the applicant, the likely benefit of funding to individuals and/or to the community as a whole, the level of local support for any particular project, the likelihood of the balance being raised from other sources, together with the apparent prospects of the project getting off the ground if funding were to be provided. If funding is provided, it is expected to be used for the purpose set out in the application and we reserve the right to ask for evidence of this.

The purpose of this notice is to create greater awareness of the Nuttall Trust within the communities of **East Brent, Rooksbridge and Edingworth**.

If you are interested in applying either for your organisation/project or for yourself for a particular activity which could not be afforded otherwise, or you would like further information before deciding whether to apply please give me a call on 07762 372080. There is an application form (electronic or paper) to complete, available upon request. Don't worry if you are not sure what information we require. The application form is self-explanatory. All calls or applications are treated in complete confidence.

**We need to have all completed applications by 16<sup>th</sup> January 2026.**

*The Trustees would like to hear from you because the Trust is there for your benefit. Please don't hesitate to contact me even if you think you might not qualify. If you have applied before, please do not be put off just because you may or may not have been successful in any earlier application.*

We look forward to hearing from you.
