

DRESS CODE & COURSE RULES REMINDER

REMINDER OF SOME OF OUR CLUB RULES:

These Club Rules have been developed to ensure a safe, friendly, and respectful place for the Yardley Country Club Membership and their guests.

THE FOLLOWING RULES APPLY TO THE ACCESSIBILITY OF THE GOLF COURSE

- All members must check in with the Golf Shop prior to teeing off.
- All members must start on the first hole unless permitted to start elsewhere by the Golf Shop, including going from the range to hole #10.
- Tee times are not required but are recommended to access the golf course. Tee times reservations can be made online or through the Golf Shop.
- Guests may play a total of five times annually in season (April 1 to October 31) as a guest of a member.
- Guests are allowed any time Tuesday – Friday and after 11:00am on Weekends.

THE FOLLOWING RULES APPLY TO DRESS ATTIRE FOR THE GOLF COURSE

Members must realize that it is not possible to stipulate the type of clothing that is appropriate. All Members shall understand the intent of these rules and cooperate accordingly. It is the Member's responsibility to inform his/her guests of the dress code and ensure that proper attire is worn by his/her guests at the Club. Changing in the parking lot is prohibited. These rules apply for both the Golf Course as well as the Practice Areas.

- **Gentlemen** – Shirts with a collar and sleeves (Mocks are acceptable) and golf slacks/shorts are considered appropriate attire. Shirts must be tucked in as well. Tank tops, t-shirts, cut-offs, sweatpants, athletic shorts, tennis shorts and blue denim jeans and denim shorts are not permitted.
- **Ladies** – Dresses, skirts, slacks, golf shorts, blouses and golf specific t-shirts are considered appropriate attire. Tank tops, t-shirts, cut-offs, halter-tops, sweatpants, athletic shorts, and blue denim jeans and denim shorts are not permitted.
- Caps and Hats, if worn, must be worn with the brim facing forward.

THE FOLLOWING RULES APPLY TO THE GOLF COURSE REGARDING GOLF CARTS AND PUSH CARTS

- Push carts should not go between greens and bunkers and remain at least 15 feet from any tee or green.
- Golf carts must be kept 30 feet from all tees and greens and kept on fairways and cart paths where available to preserve the rough and improve golf course appearance.
- After you have played your tee shot, drive to the end of the cart path then scatter and proceed directly to the fairway.
- Exit the fairway just before the green stake placed on the edge of the first cut, go directly to the cart path, stay on the cart path and park on the cart path. The directional cart signs on the fairways are eliminated. If your ball is past the green stake, you may drive to it (stay on the fairway and avoid approach areas). After you play your ball go back to green stake and exit there. This will help speed up play.

- Treat gravel paths (#6, #7, & #11) the same as asphalt paths
- #8 has no cart path at the tee area; park close by and proceed directly to the fairway after your tee shot.
- ALL PAR THREES ARE CART PATH ONLY including #17
- A Blue stake will be placed on #16 to enter the fairway, exit the cart path just after the stake and drive directly to the fairway.

Board of Governors

President – Dennis Warwick president@yardleycc.com

Vice President – Paul Holmgren vicepres@yardleycc.com
