

SOCIAL MINISTRY COLLECTION OF HYGIENE ITEMS

It is time again for our semi-annual collection of hygiene items. We have always had a wonderful response from you as there is always a great need for these items.

For this collection we will accept hygiene items for St. Joseph's Neighborhood Center, Catholic Charities Family and Community Services, Bethany House, and Caring Choices Pregnancy Help Center.

Items requested include toothbrushes, toothpaste, bar soap, deodorant, lotion, shampoo conditioner, disposable razors, shaving cream, body wash, hand sanitizers, combs/brushes, and feminine products. Also needed for Caring Choices are Gentle Formula and Baby wipes.

Labeled bins will be available in the narthex for drop off before and after Masses the weekend of

October 17th and 18th.

Thank you, in advance, for your generous support of this ministry.
