

Migrant Ministry Project

The Social Ministry Committee is sponsoring a drive to collect needed items for the migrants who will be working the local farms in the Brockport area.

The wish list includes: men's small/medium sized T-shirts, work gloves, socks, baseball or bucket hats, and personal hygiene supplies (deodorant, bar soap, toothpaste, toothbrushes, shampoo).

Items can be dropped off before or after Masses **NEXT WEEKEND** (July 11 and 12). Labeled bins will be located in the narthex for your donations.

Thank you for your continued support of this ministry.
