**Welcome to a brand-new year!**

**What new adventures await?**

**If 2025 was any indication, we are in for another joyous year.**

**We are so fortunate to live in a community that cares, supports, and always thinks of a way to reach out. From schools, churches, 4-H, transit, scouts, etc., they always found a way to include us. The many volunteers who gave their time to worship, go on outings, entertain us, and assist whenever they could.**

**Thank you! Thank you! Thank you!**

**I hope you all know you helped create beautiful memories and we hope to create many more with all of you!**

- ★ We try to keep the building and each room, between 72 – 74 degrees. If you are still too hot, or cold, let someone know. Something to remember is we do not run on forced air furnace heat; we have in floor radiant heat, so adjusting the thermostat is not a quick fix.
- ★ Per building codes, extension cords are not allowed in rooms, but surge protectors are.
- ★ You are allowed to have a space heater but must have prior approval from administration.
- ★ You may own a heated blanket if it has an automatic shut off per our fire code. Which means nothing made before 1960.
- ★ Humidifiers are very helpful during these winter months. Humidifiers add moisture to the air. They can help people with dry skin, allergies, and respiratory problems. They may also help prevent influenza.
- ★ Make sure your loved ones have appropriate clothing for the winter season.
- ★ We provide one set of twin sheets, one blanket, one comforter, and one pillow. If you bring in special items, please make sure they are marked clearly.
- ★ All food items in their rooms must be in a sealable plastic container, clearly dated, and may not be kept on the floor.
- ★ Per state regulations, no “to go” containers or leftover containers are allowed in the kitchen. Only items in unopened store-bought containers, with a clear expiration date, are allowed.
- ★ If you join a loved one for a holiday meal, be aware that your cost is paid only in cash.
- ★ It is just as important to know if someone is leaving for the holidays. Staff knowing can help remind them and get them ready before you arrive. Kitchen knowing will help with seating and having the correct amount of food is prepared.
- ★ Any item brought to the kitchen will be disposed of when they reach their expiration date.

**A drunk that smelled like a brewery got on a bus one day. He sat down next to a priest. The drunk's shirt was stained, his face was full of bright red lipstick, and he had a half empty bottle of wine sticking out of his pocket. He opened his newspaper and started reading. A couple of minutes later, he asked the priest, "Father, what causes arthritis"?**

**"Mister, it's caused by loose living, being with cheap, wicked women, too much alcohol, and contempt for your fellow man."**

**"Well, I'll be damned," the drunk muttered. He returned to reading his paper.**

**The priest, thinking about what he said, turned to the man and apologized. "I'm sorry, I didn't mean to come on so strongly. How long have you had arthritis?"**

**"I don't have arthritis, Father, but I just read in the paper that the Pope does."**

**One winter morning during breakfast a husband and wife in Northern Minnesota were listening to the radio. They heard the announcer say, "We are going to have 8 to 10 inches of snow today. You must park your car on the even-numbered side of the street, so the snowplows can get through."**

**So, the good wife went out and moved her car.**

**A week later while they were eating breakfast again, the radio announcer said, "We are expecting 10 to 12 inches of snow today. You must park your car on the odd-numbered side of the street so the snowplows can get through."**

**The good wife went out and moved her car again.**

**The next week they were again having breakfast, when the radio announcer said, "We are expecting 12 to 14 inches of snow today. You must park..." Then the electric power went out.**

**The good wife was very upset, and with a worried look on her face she said, "Honey, I don't know what to do. Which side of the street do I need to park on so the snowplows can get through?"**

**With the love and understanding in his voice that all men who are married exhibit, the husband replied, "Why don't you just leave it in the garage this time?"**

**You know you're old when the answer to the "boxers or briefs" question is "Depends."**

## **The Clock Strikes Midnight**

**Catherine Pulsifer**

As the clock strikes midnight, we cheer,

Happy New Year, the day is here!

But wait, what's this I fear?

12 months ahead, and we're one year  
older, dear!

January brings resolutions anew,  
February's chocolates make us forget a  
few.

March comes in like a lion, rawr!

April fools us with pranks galore!

May makes us wonder where time goes,  
June brings summer, sunburns and woes.

July has fireworks lighting up the sky,

Oh my, oh my, how time does fly!

So here's to the year that lies ahead,

Let's face it with laughter instead.

With humor as our guiding light,  
We'll tackle each day with all our might!
