<div>Noticings:</div> <div>Action Steps:</div>	
In the Progress Toward Full Standards Coverage, click on the bar for the content area.	
<p>After viewing the four standards boxes, what are action steps you can take to best support the content area?</p> <p>Viewing the standard Mastery Score by Demographics, what action steps can you take to support low performing groups.</p> <p>Each student has their own blueprint/focus areas, you can filter to specific students, or dig into a specific student by clicking the "sharrow" next to their row. Which students need immediate attention?</p>	

Mastery Status Bands

Mastery: 80-100

Near Mastery: 65-80

Emerging: >65

Goal Setting Action Planner

Thinking of your lowest performing standard, subgroup, or class, what action steps can you take to support them? Define what steps you will take in the next five days, five weeks, and five months to support your educators.

Next 5 Days	Action Steps
What is my goal?	
How will I continue to monitor progress with Derivita?	

Next 5 Weeks	Action Steps
What is my goal?	
What purpose does this goal serve in the big picture plan?	

Next 5 Months	Action Steps
What is my goal?	
What purpose does this goal serve in the big picture plan?
