SAINT-GOBAIN

# It's about Pros, Products and Protection

For added Peace of Mind

An investment in a new roof is no laughing matter. You want to make sure you're getting the right contractor, the right products and the right protection.

It all starts with finding a qualified professional contractor. Hiring a contractor who carries a CertainTeed Credential means you're getting one of the best—a pro that cares about quality and professionalism.

And only a CertainTeed Credentialed Contractor is authorized to offer SureStart™ PLUS 4-Star coverage to protect you and your most precious assets.

# Integrity Roof System™

A COMPLETE APPROACH TO LONG LASTING BEAUTY AND PERFORMANCE

With as much care as you take in selecting the right contractor, choosing the right roof system is equally as important. A CertainTeed Integrity Roof System combines key elements that help ensure you have a well-built roof for long-lasting performance.

## 1. Waterproofing Underlayment

The first step in your defense against the elements. Self-adhering underlayment is installed at vulnerable areas of your roof to help prevent leaks from wind-driven rain and ice dams.

## 2. Water-Resistant Underlayment

Provides a protective layer over the roof deck and acts as a secondary barrier against leaks.

## 3. Starter Shingles

Starter Shingles are the first course of shingles that are installed and designed to work in tandem with the roof shingles above for optimal shingle sealing and performance.

## 4. Shingles

Choose from a variety of Good-Better-Best styles to complement any roof design and fit your budget.

## 5. Hip & Ridge Caps

Available in numerous profiles, these accessories are used on the roof's hip and ridge lines for a distinctive finishing touch to your new roof.

## 6. Ventilation

A roof that breathes is shown to perform better and last longer. Ridge Vents, in combination with Intake Vents, allow air to flow on the underside of your roof deck, keeping the attic cooler in the summer and drier in the winter.

# 4-STAR Protection

You've selected a qualified CertainTeed credentialed contractor and you're choosing the right shingles and roof system. Why not add that extra layer of protection with SureStart™ PLUS?

All CertainTeed shingles carry standard SureStart protection which fully covers your shingles during the early years following installation in the event of a manufacturing defect. Once the SureStart period ends, typically after 10 years, you are covered for shingles only and at a reduced rate as the roof ages.

Your CertainTeed Credentialed Contractor is exclusively authorized to offer you SureStart PLUS 4-Star protection, which takes CertainTeed's traditional SureStart protection and extends coverage for up to 50 years. That means, in the event of a manufacturing defect, you are fully covered.

**Lifetime Limited Warranty Shingles** **4-STAR Protection**

Coverage	50 years*
Materials & Labor	✓
Tear-off	✓
Disposal	✓

**NOTES:** XT™25 shingles carry 20 years with 4-STAR coverage, including the features as indicated above.

For Patriot® and Patriot®XL shingles the manufacturing defect must cause leaks.

Fully transferable for 12 years with 4-STAR Coverage.

\*Applies to single-family detached houses. Duration for all other types of structures is limited to 25 years.

**Low-Slope Roof Sections:** If a project being roofed with CertainTeed shingles has a low-slope section 1,000 square feet (10 squares) or less using our Flintlastic® SA modified asphalt self-adhered roof system, or our SMARTCOAT™ liquid-applied roof restoration systems, installed by a CertainTeed Commercial Credentialed contractor, SureStart PLUS extends FULL coverage for the duration of the low-slope warranted period, depending on the level of protection you choose. Residential shingles must be a minimum of one and a half times (1.5X) the amount of flat roof submitted. See Low-Slope Residential Limited Warranty for system requirements and warranty durations.

See CertainTeed's Asphalt Shingle Residential Products Limited Warranty for complete details, conditions, limitations and exclusions. For a copy, go to [www.certainteed.com](http://www.certainteed.com) or call 800-782-8777.

## SureStart™ PLUS Protection for Your Investment

**Example of approximate cost for an average residential reroofing project:  
Installed cost of an Integrity Roof System: \$15,000**

Projected Replacement Cost of an Integrity Roof System (assumes 2% Annual Inflation)		Value Provided by a Typical Limited Warranty	Value Provided by SureStart PLUS 4-STAR Coverage
Year	Projected Cost	Amount Provided	Amount Provided
1	\$15,300	\$9,180	\$15,300
5	\$16,561	\$9,937	\$16,561
10	\$18,285	\$10,971	\$18,285
11	\$18,651	\$4,849	\$18,651
20	\$22,289	\$4,458	\$22,289
30	\$27,170	\$3,532	\$27,170
40	\$33,121	\$2,318	\$33,121
50	\$40,374	\$2,826	\$40,374

This example is based on most shingle manufacturers limited warranties and is for illustrative purposes only. **Actual costs will vary by region and roof type.**  
**Note: Numbers do not include labor.**

## CertainTeed's SureStart PLUS 4-STAR Protection versus Limited Lifetime Warranty

**Warranty coverage comparison over time**  
(Example is for a residential home; see warranty for details)

With SureStart PLUS protection, the amount of coverage remains constant for the full term of the warranty.
