13

Preregister by July 23  
Entering Saturday 22, 9 A.M. - 5 P.M.  
Maximum 20 entries per exhibitor per Department and one item per class

- \* In selecting vegetables for exhibition, choose such specimens that would bring the highest market price. Do not select the largest, select medium size specimens.
- \* The following are factors considered by judges:
  - \* Trueness to variety type. If at all possible, pick the specimen from one variety.
  - \* Uniformity in shape, size and color.
  - \* Be sure to pick out a perfect specimen, then select the others as similar to it as possible.
  - \* Never mix specimens of different maturity.
  - \* Protect from dirt, disease, infection, and mechanical damage.
  - \* Select specimens that are perfect and show no blemishes of any kind.
  - \* Condition and maturity. Be sure exhibits are of high quality.
  - \* Potatoes should not be washed. Remove all soil using a soft cloth or brush.
  - \* Tomatoes should have stems removed. Carrots, beets, etc. should have tops removed from vegetable leaving about two inches of stem.

\*Read premium material carefully, following all rules and regulations. If any entry requires a specific number of specimens, be sure to exhibit the stated amount. Exhibits will be disqualified if the correct number is not entered.
