Our Mission
Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

The Club Experience
Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs and experiences, and build supportive relationships with peers and caring adults.

The Need in Our State
Every day 622,227 kids in Texas leave school with nowhere to go. They risk being unsupervised, unguided and unsafe.

**Our Agenda for America’s Youth**

At Boys & Girls Clubs of America we believe who you are, where you’re from, or the circumstances that surround you shouldn’t determine your access to experiences or opportunities. Our Agenda for America’s Youth focuses on solutions and policies that will have the greatest impact on the youth of this country, and the fight to strengthen them. America’s youth need a voice and with your help, we will close the opportunity gap for all youth in America.
