SELECTION CRITERIA FOR MID-AMATEUR REPRESENTATIVE TEAM

SELECTION CRITERIA

The Selection criteria for the teams will be as follows:

Attitude and behaviour In the Team selection process, attitude and behaviour displayed by players and managers are of paramount importance. The only individuals who will be eligible for selection for any Ekurhuleni Golf Union team – irrespective of position on the order of merit - will be those who consistently display a respect for the etiquette of the game, as well as an attitude and behaviour that are of the highest standard. The reasons for this are simple. Once selected, these individuals will become role models for many other aspiring golfers; in addition, they will be representing the Union and all that it stands for and, finally, because attitude and behaviour are fundamental to the performance of both the individual and the team.
