MAXIMUM MEMBER ALLOWANCES

Note: A council must resolve allowances for the financial year when it adopts the budget for the financial year (section 71(3)). A council must adopt its budget on or before 31 July (section 128(1)). The amounts in these tables indicate the maximum level at which allowances may be set. Councils can resolve to pay less than the maximums. A council needs to consider allowances in the overall context of its budget. Once a council has resolved the level of allowances for a financial year they cannot be changed by amendment (section 128(2)).
