WE GIVE YOUR SENIOR AN AWESOME EXPERIENCE

BEAUTIFUL CUSTOM PORTRAITS

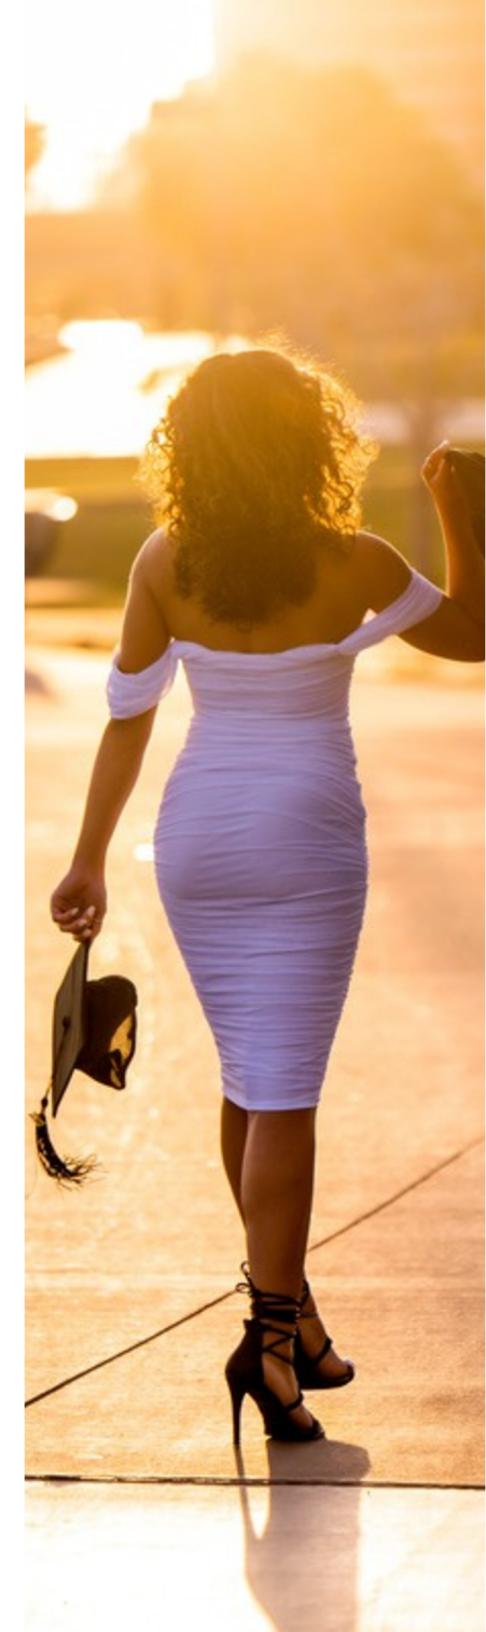

AMAZING VALUE

This experience allows your senior to experience the benefits of a custom senior portrait experience, at a fraction of the cost of doing one on your own.

WE'RE EASY TO WORK WITH

- We pride ourselves on being attentive and communicative with our clients through the entire process.
- Approximately two weeks after your portraits are taken, you will receive a private online gallery for proofing and ordering your senior's portraits.
- We offer several collections and products including archival quality prints, wall portraits, custom graduation announcements and more.
- Once your selections are made - your portraits are shipped directly to you.

IT'S THAT SIMPLE.

A vertical photograph of a young woman with long brown hair, smiling. She is wearing a blue graduation gown and cap, and is holding a diploma in her right hand. The background is blurred, showing an outdoor setting.

WHAT TO BRING

WARDROBE

This is your moment to show your style

- Make sure the outfit you choose is one you love, and makes you feel amazing!

Things to avoid

- Short skirts, sleeveless tops, busy or distracting patterns.
- All cap and gown portraits will be taken on campus, no need to bring to your custom session at Mesa Center for the Arts.

Suggestions for "extras"

- A fresh shirt for quick change, your favorite hoodie or jacket, a pair of sunglasses, scarf, or your favorite book.
- There are no public restrooms available - so any changes should be ones you can accomplish in public.

SHOES + ACCESSORIES

- Fun, new shoes can help set off a polished professional portrait.
- Think bright colors, new sneakers, boots, heels... whatever your style is!
- Have a favorite pair of shoes? Clean them up before your shoot!
