## What is Clinic 34?

A FREE specialist sexual health service that provides testing and treatment for sexually transmitted infections (STIs) including HIV in the NT.

All services are free and confidential. You do not need a Medicare Card. Free services are provided to those Medicare ineligible people needing sexual health, PEP, PrEP and HIV care.

## What services do they offer?

Services include all of the following:

- testing and treatment for sexually transmitted infections including HIV and Viral Hepatitis.
- emergency HIV prevention medication
- condoms and the emergency. contraceptive pill, also called the morning after pill.
- needle and syringe program outlet.
- PrEP – Pre exposure prophylaxis to HIV.
- Free Hep B, Hep A, Influenza, MPX vaccines for those who are deemed eligible to receive from C 34 services.
