App & Smart Integration

---

*"Alexa, turn on Celebriht."*

Celebriht's Smart Integration offers a host of features that easily connect with Google Home and Amazon Alexa. Users can now control light settings, adjust color schemes, and schedule automated lighting routines through simple voice commands.

## PERMANENT HOLIDAY LIGHTING

### System Components

---

The aluminum track is color-matched to the existing architecture for an aesthetically pleasing look that is virtually invisible.

The LED digital lights are low profile featuring adjustable brightness to maximum curb appeal without being overbearing.

The bulbs are rated to IP68 which means they are rated for underwater use. All connectors are also waterproof.

20MM | .78"

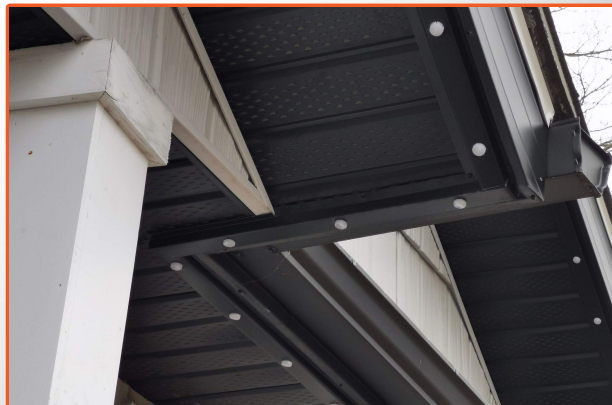

## PERMANENT HOLIDAY LIGHTING

### System Components

---

The aluminum track is color-matched to the existing architecture for an aesthetically pleasing look that is virtually invisible.

All components of the system are rated to work down to -40 degrees Celsius (-40 Fahrenheit) and up to 85 degrees Celsius (185 Fahrenheit).

INVISIBLE BY DAY,  
**BRILLIANT BY NIGHT!**

## PERMANENT HOLIDAY LIGHTING

### How the System Works

---

The system runs at 24V. The control box plugs into a standard 120V power outlet and supplies the lights and controller with the 24V DC it requires. Running at 24V provides high efficiency, and minimizes power lost in wire runs.

A cable carrying power and data connects individual bulbs.

Track shapes are customizable to match the architecture of your home and blend seamlessly.

## PERMANENT HOLIDAY LIGHTING

### How the System Works

---

The track is made with enamel-coated aluminum which supports the bulbs and hides all wiring.

WiFi and Mobile app to control the lighting system.

The lighting controller connects to any WiFi network. The Celebright server passing information between the app and lighting system from anywhere in the world.

## PERMANENT HOLIDAY LIGHTING

How the System Works

---

All products purchased and installed by St. Lawrence Luxury Lighting are covered by a 10-year warranty against failures caused by defective parts and a **BLANK**-year warranty against workmanship defects.
