Hours & Schedule

We offer full time and part time care from 6:45am—6:00pm. We ask that students are dropped off no later than 8:45am and picked up no earlier than 2:30pm. This helps ensure that their learning time and nap time happens each day with minimal interruptions.

Weekly schedules will include:

Playgrounds

Prekindergarten Room

Infant Room

Areas of Focus

Infants—We will use language, images, and a musically rich environment to help promote brain development. We will give love and comfort through gentle touch, reading stories, and singing songs to encourage cognitive development and healthy attachments.

Toddlers—We will learn through play in a sensory rich environment while developing fine and gross motor skills. We will explore our world around us through themed learning units while also learning how to be good friends to our classmates.

Preschoolers—We will continue our character trait learning with Bible stories, and our active play themed learning units. We will also be developing the pre-reading and pre-writing skills needed as our students prepare their minds and muscles to learn to read and write.

Prekindergarten—We will continue our character trait learning with Bible stories, and our active play themed learning units. We will also be getting ready for kindergarten through continued learning of letters and the sounds they make, blending those sounds together, number recognition, and hands on learning.

Elementary (after school care and summer camp)—We will continue character trait learning while offering homework time, snack, outdoor play, free play, and guided activities during the school year and all day during the summer.
