**Agenda items:**

- Move was made to approve last month's notes at the next meeting.
- Cheryl made a treasury report. There is currently \$584.11 in the account. Cheryl made a motion to send the Cascade H.S. Band \$100 for playing at the Pet Parade. Motion was seconded and passed. Everyone commented on the Pet Parades' success!

**Old Business:**

- Lauri volunteered to Call Bluebird and Hi-up, about garbage in the railroad underpass tunnel. At this time it seems to be getting emptied since our Earth day clean up.

### **New Business:**

- Council acknowledged the placement of a Radar speed sign to limit speeding through town. Doug proposes that a radar sign needs to be placed on the North Road because of the increased traffic. He says it is very hard to even cross the road and how the traffic conflicts with his ability to spray. Carnan suggest that Doug spray at night. Devera adds that the Derby Canyon Rd. could use one too, and Cheryl says bikers heading for Derby speed by loudly early in morning. Council members recalled a meeting last year with Sheriff Burnett and Musgrove about speeding vehicles through Peshastin. Lauri volunteers to call the Sheriff Dept. about the continued concerns. She also states that we are seeing increased traffic because of the Hwy 2 road work that should be wrapping up soon.
- Lauri reports that the Community Cupboard food bank reports that the Cascade School District isn't qualifying for the summer lunch program—missing qualifications by 1% margin.
- Cheryl brought up how in the past the Community Council suspends meetings during the summer months. Devera makes a motion to do so. It is seconded and passes. We will resume meeting in September, unless otherwise notified.
- Special meetings if needed will be announced on our Website and Facebook.

At 6:53 Lauri calls for meeting to be adjourned.

Respectfully submitted for your approval,

Devera
