

# UNICO ZELO

## DELTA BLUE, 2022

This is a blend of the Portuguese variety Touriga with the two Cabs (Sauv and Franc) all from the Langhorne Creek region of South Australia. The rich, autumnal fruit cranberry and late season plum aromas mingle with baking spice, warm gravel and purple florals. It's a full figured wine with savory sappy tannins supporting supple, silky fruit with a life vest of freshness. Drink now with protein or cellar for several more years.
