

WOOP WOOP

SELECT PARCEL

Grenache 2025

Building on the easygoing spirit and unmistakably Australian character of Woop Woop, Select Parcel takes the journey a little further. Sourced from carefully selected vineyards in coastal McLaren Vale, where maritime influences help shape wines of freshness, balance and character, Select Parcel offers an elevated expression of the Woop Woop philosophy. The wines show greater depth, complexity and regional expression, while remaining delicious, approachable and made to be enjoyed. And, just like the original Woop Woop wines, Select Parcel is made to over-deliver, offering exceptional quality and character at an approachable price point. It's a little more of the vineyard in the glass, without losing the knockabout charm that made Woop Woop, Woop Woop.

Bright and vibrant in color, with lifted aromas of ripe red berries, raspberry and cherry, complemented by subtle spice and delicate floral notes. The palate is medium-bodied and generous, with vibrant red fruit, soft tannins and fresh acidity creating a beautifully balanced and approachable wine. A portion of the wine was aged in barrel, adding texture and complexity while allowing the bright, fruit-driven character to remain at the forefront. The finish is fresh, savory and persistent.
