# STONE REFLECTIONS

SPC | 12" X 24" | 6 MM | 20mil

Stone Reflections is a waterproof, rigid core flooring in a 12-inch by 24-inch tile format with painted bevels for an authentic natural stone appearance. These beautiful stone visuals fill the room with elegance.

The Stone Reflections Collection is manufactured to the highest standards and features a UniClic™ locking system and a commercial-grade wear-layer for lasting durability and scratch resistance. Perfect for the busy family with children and pets. Saves time and money compared to traditional grouted tile installations.

## Who We Are

Choice Flooring is a leading manufacturer of high-quality flooring solutions, specializing in a wide range of options to suit every style and budget. We exclusively sell to retail partners, ensuring our products are available through trusted outlets that provide expert guidance and installation services.

Our product range includes hardwood, laminate, vinyl flooring, premium carpet cushions, and acoustical underlayment. All our products are manufactured using state-of-the-art processes, and our foam products are made in the USA.

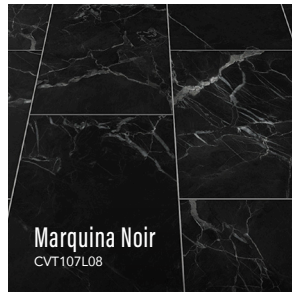

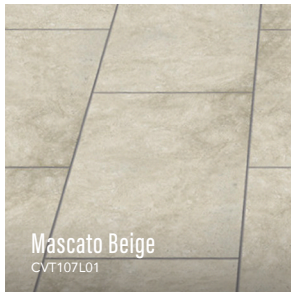

At Choice Flooring, we understand that styling is key when it comes to flooring choices. That's why we emphasize the latest trends and timeless designs, helping our retail partners provide their customers with the look they desire for their home or office space. Our knowledgeable team is here to provide personalized assistance every step of the way.

We are honored to be the recipient of the Floor Covering News Award of Excellence for five years. This prestigious award recognizes our dedication to delivering exceptional products and services to our customers. We take pride in our low claims rate, which demonstrates our commitment to producing durable and reliable flooring solutions.

With a focus on quality, affordability, and customer service, Choice Flooring is your trusted partner for all your flooring needs. Experience the difference with Choice Flooring today!
