## SANTA MONICA

Santa Monica is a collection of coastal wood visuals available in eight beautiful styles. It is 100% waterproof, and made with an SPC core for added durability. It features a 12 mil wear layer and a UNICLIC Locking System for ease-of-installation. It has an IXPE attached underlayment for added acoustical benefits. Designed with 7-inch plank widths, a matte finish, and a painted bevel to complement current design trends.
