EPIPHANY BLESSING, EXPLAINED

The Epiphany household blessing is a centuries-old tradition that invokes God's blessing on all who enter one's home. All you need for an Epiphany blessing is chalk, which is usually made available by parishes either on the feast of the Epiphany or in the weeks leading up to it.

There are a few different formulas for blessings out there, but the essence of the ritual is always the same: a priest or the head of the household calls down God's blessing on the house and everyone who comes into it, and an inscription is made above the door in chalk.

The inscription reads:

20 + C + M + B + 26

The initials C, M and B represent the names of the magi — Caspar, Melchior and Balthasar — and also signify the Latin phrase *Christus mansionem benedicat*: "May Christ bless the house." ©LPI

THIS WEEK'S GOSPEL FOCUS

January 4, 2026

The Epiphany of the Lord

Matthew 2:1-12

When I was 22, I went on a pilgrimage to Rome for the Jubilee Year of 2000. I was traveling light with just a backpack, one blue shirt and black pants, little money, and no Italian. I had a few close friends and one goal: to reach the Eternal City. Despite the challenges and deprivations, I felt alive in a way I had never known before.

When do you feel most alive? I'd wager it's not when you're most comfortable or surrounded by stuff. Rather, it's when your life is aimed at something great; when you're on a meaningful and challenging journey with good friends. That's the image the Magi give us in today's Gospel. They set out from the East not with certainty, but with hope. They study the signs, discipline their attention, and journey together, offering the best they have when they find the newborn King.

The Church gives us their story at the start of the year to reawaken something in us. We are not meant to drift. We're meant to journey as pilgrims. The Jubilee Year of 2025 may have ended, but our pilgrimage has not. Like the magi, the closer we get to Christ, the more alive we become.

— Father John Muir

RECONOCE A DIOS EN TUS MOMENTOS ORDINARIOS

Por Colleen Jurkiewicz Dorman

Las Estrellas que Seguimos

Todo el mundo sigue una estrella.

Es parte de la naturaleza humana buscar. Si somos ricos, queremos ser más ricos. Si somos inteligentes, queremos ser más inteligentes. Si somos poderosos, queremos ser más poderosos.

No podemos quedarnos en un solo lugar, por así decirlo, para decir: "Soy lo que soy, tengo lo que tengo y es suficiente". Incluso el acto mismo de mantener un estatus quo, ya sea salud, riqueza o bondad espiritual, requiere acción. Requiere esfuerzo. Requiere movimiento. Esta es la naturaleza humana. No hay nada de malo en ello. Cuando dejamos de buscar, morimos.

Pero ¿qué buscamos? ¿Adónde vamos?

A menudo me pregunto si los Reyes Magos sabían lo que estaban buscando, si realmente lo sabían. Buscaban al "rey recién nacido de los judíos", sí, pero ¿entendían quién era? ¿Qué era?

No veo cómo podrían haberlo hecho. Eran hombres sabios, pero no eran profetas. Simplemente sabían que este era un esfuerzo que tenían que emprender. Lo sabían en sus almas.

Realmente hay muy poco que sepamos con certeza sobre los Reyes Magos. No sabemos cuántos de ellos había. No conocemos su religión. No sabemos de dónde vinieron. Todo lo que sabemos con certeza es que oyeron una voz que escucharon en lo profundo de sí mismos. Y, prestando atención a esa voz, se fueron.

¿Y qué encontraron? Encontraron lo que todos buscamos, incluso si, tontamente, lo buscamos en riquezas o poder.

Encontraron el rostro del Niño.

Así que dime esto. *De todas las estrellas que podrías seguir, ¿cuál te dice la voz, esa que estás en lo profundo de ti, que persigas?*

Señálala. Y adelante.
