THIS WEEK'S GOSPEL FOCUS

October 19, 2025

Twenty-Ninth Sunday in Ordinary Time

Luke 18:1-8

A woman in my parish has an adult son who has rejected his faith. She prays for him every day. She lights candles, says rosaries, and asks God again and again to bring him back. But nothing changes. Is God listening? Is He delaying? She told me once that she feels like the widow in Jesus' strange parable — crying out for justice, but hearing only silence. And yet, she said, she is at peace. I asked why. She responded, "God is already answering. I just can't see it yet." She embodies something of the mystery in Jesus' parable this week in Luke 18. A powerless widow demands justice from a corrupt judge. This isn't about wearing God down until He gives in. It's about faith in the justice that is already coming. The widow isn't just persistent; she believes that justice is inevitable. And when Jesus points to the judge's words — his fear of being "struck" — He hints at something deeper: God's justice does not creep in gradually. It strikes. It comes like lightning. Blessed Mary is, of course, the ultimate widow demanding justice. At the foot of the cross she stands before what looks like the ultimate injustice — the brutal execution of her son. But she did not despair. She did not beg for a last-minute rescue. She knew that justice was not delayed. In fact, it was happening. The power of the cross was already unleashing justice upon the world — suddenly, decisively, like a blow that would topple every corrupt power, making even the most corrupt fear her strike. This parable asks us: will the Son of Man find faith on earth? Or will we mistake God's silence for absence? The cross proves that justice is not slow. It is only hidden. The lightning has already struck. In the cross, justice is speedily being done. — Father John Muir

AROUND OUR COMMUNITY

DIPPING INTO HISTORY WITH INK & QUILL

Thanks to a generous mini-grant from Heaven's Treasure Thrift Store, the JP II 8th grade Social Studies students traveled back in time—feather quills in hand! The grant funded black walnut hulls, small jars, and goose feathers so students could create their own ink and quill pens just like early American writers. “We made the ink by boiling black walnut hulls and water, brewed tea to dye ordinary paper into authentic ‘parchment,’ and carefully carved tips into classic quill nibs,” shared JP II teacher, Mrs. Angela Rossillo. “Watching the students roll up their sleeves and figure out how to make everything themselves was incredible.”

With their handmade tools, students practiced writing their names and beautifully penned prayers such as the Our Father, Hail Mary, or Glory Be. “The best part,” Mrs. Rossillo added, “was seeing their excitement when the ink actually flowed and they could scratch their own letters across the page—it made history real.”

Beyond the novelty of walnut ink stains and feathery flourishes, the lesson carried lasting value. “Projects like this show students that learning is richer—and sticks longer—when it’s fun,” Mrs. Rossillo explained. “They gain a deeper appreciation for the patience and perseverance of the people who recorded our nation’s early stories.”

From swirling tea-stained parchment to the satisfying scratch of a freshly cut quill, our students discovered that sometimes the best way to understand the past is to get your hands a little inky!

School applications and financial aid applications for 2026-2027

are now open. Ready to learn more about JP II academic excellence? Visit the school’s admissions section at johnpaul2school.org or contact our Admissions Coordinator, Anne McClure, at 843.645.3838, ext. 109, to schedule a private tour.
