THIS WEEK'S GOSPEL FOCUS

September 14, 2025

The Exaltation of the Holy Cross John 3:13-17

One of my favorite movies is the 1991 comedy *What About Bob?* Bill Murray plays a troubled, paranoid hypochondriac named Bob Wiley who innocently but annoyingly hounds Dr. Leo Marvin, played by Richard Dreyfuss. Bob is paralyzed by his fear of, well, everything, and is convinced the psychologist can heal him. But Dr. Marvin's failed attempts to heal Bob end up driving the doctor to attempt to murder Bob. He fails. The surprise is that, having faced death head on, Bob is suddenly healed. He attributes his healing to Dr. Marvin for break-through "death therapy." In facing the cause of his deepest illness and dysfunction, Bob is healed.

Underneath this light-hearted comedy is a dead-serious resonance with this week's feast: the Exaltation of the Holy Cross. Christ is lifted up on the cross to force us to face the truth of sin and death. In that reckoning we find healing. Like Moses' snake on a pole, the cross says: this is what is causing your sickness – rebellion, disobedience, sin. Look at it! Don't run from it. Now seeing it exposed, we see life. We see our physician mercifully healing us. In this sense, we are all like Bob Wiley. The "death therapy" of the cross is our only hope for healing.

This week I invite you to "exalt the cross." If you don't have one in your house, get one. Use it for prayer. Gaze on it frequently. It teaches us to not be afraid. It heals us.

— Father John Muir

Holy Family Ladies Guild

I invite and encourage all ladies of our parish to join our Ladies Guild. We meet monthly on the 3rd Wednesday at 10:00 am in the Parish Hall, September through April unless there is a need to change the date. We begin with a short business meeting, enjoy interesting presentations from a variety of speakers from our parish, community and elsewhere, followed by a delicious luncheon prepared by some of our members. We have a fun year planned to include spiritual growth as well as service and social opportunities. This is a wonderful opportunity for you to become involved in our parish and make some new friends! The annual donation of \$30.00 helps defray meeting expenses. Please complete the form below and along with your \$30.00 check made payable to Holy Family Ladies Guild and drop it off after Mass at the Religious Articles Shop in the Parish Office, or mail to:

Ladies Guild
24 Pope Avenue
Hilton Head Island, SC 29928

We look forward to welcoming you!

ALTAR FLOWERS

Fresh altar flower
arrangements may be
donated:

- to honor a friend or
family member
- to remember a loved one
- to celebrate an
anniversary or for any
reason you wish.

To donate and dedicate
altar flowers, please contact
info@hollyfamilyhhi.org

LETTER OF GOOD STANDING REQUESTS

If you have been asked to be a sponsor for baptism or confirmation, please visit our website and select the "Sacraments" tab, or scan the QR code with your smartphone's camera. Requests will be mailed to the church where the sacrament will be celebrated within 3 business days. Many parishes, including Holy Family, require letters of good standing weeks before the baptism/confirmation, so please plan ahead with your family/friend who you will be sponsoring.

AROUND OUR COMMUNITY

JOHN PAUL II CATHOLIC SCHOOL NEWS FROM CODE TO CREATIVITY: APP CREATORS BUILD ALGORITHMS WITH LEGO DESIGNS

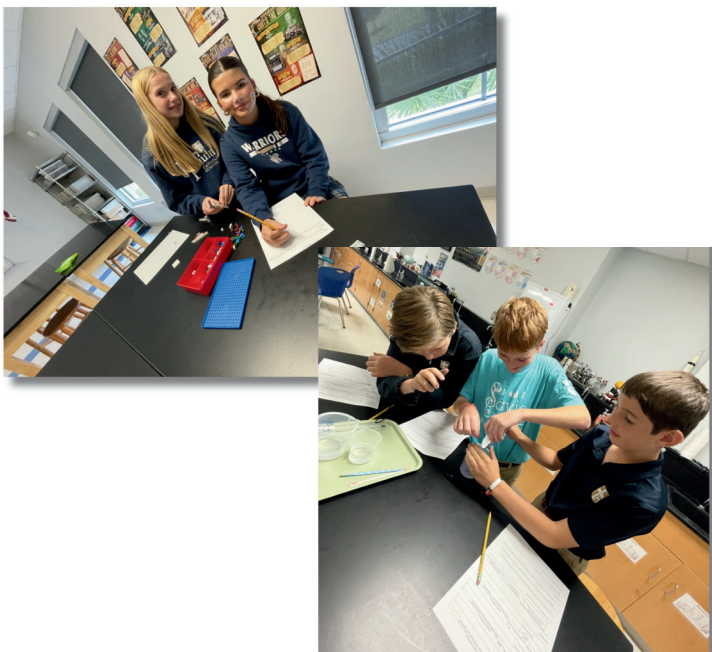

Students in John Paul II Catholic School's App Creators class recently expanded their understanding of algorithms in a fun and hands-on

way. Each student designed a unique Lego structure, then wrote step-by-step algorithms to describe how to build it. To test the accuracy of their work, peers swapped instructions and attempted to recreate the designs using only the written algorithms. App Creators is one of eight Project Lead the Way Gateway classes offered at JPIL for middle school students. The other classes include - Computer Science for Innovators & Makers, Medical Detectives (Life Science), and Energy & the Environment (Life Science), and Flight & Space (Physical Science).

This activity highlighted the importance of clear communication, logical sequencing, and problem-solving—all fundamental skills in both computer science and real-world problem solving, explained JPIL science teacher Mrs. Nicole Schatzle. "By practicing how to break big ideas into smaller, precise steps, students not only strengthened their understanding of algorithms but also developed critical thinking and collaboration skills," she said. "These lessons may seem like play, but they're really about preparing students for the future. Writing and testing algorithms teaches them how to think like computer scientists, engineers, and innovators. They're learning how to troubleshoot, adapt, and refine their ideas—skills they'll use in high school, college, and their careers."

Activities like this show students that learning can be fun, while also giving them tools to thrive in an increasingly digital world. With creativity, teamwork, and a few colorful Lego bricks, JPIL students are building more than designs—they're building the foundation for future innovation.

Ready to see how JPIL combines academic excellence, athletic achievement, artistic sensibility, and a focus on safety to create a nurturing environment? Visit the admissions section of our website at johnpaul2school.org. Contact Anne McClure, Admissions Director, at 843.645.3838, ext. 109, to schedule your private tour today!
