## THIS WEEK'S GOSPEL FOCUS

### May 31, 2026

The Most Holy Trinity  
John 3:16-18

I was 16 years old on a youth group retreat in the mountains. One night, I opened my heart to the message being proclaimed: that God so loved the world that He sent His Son for us. Later, I lay under the pine trees and looked up at the countless stars. They seemed different. No longer cold, distant balls of chemical reactions, they appeared as an expression of God's love, as if He were giving those stars directly to me. The truth of God sending His Son changed how I saw the whole universe.

That is what today's Gospel reveals: "God so loved the world that he gave his only Son." (John 3:16) The universe is not just a whirl of impersonal forces or empty space. At its heart is a gift: the Father eternally giving the Son, not to condemn, but to bring life.

This is not abstract doctrine but deeply personal. God gives His Son for you and me. Each human life is precious enough to be caught up in that eternal gift. It is in the Mass where we encounter this most directly. In the Word proclaimed, in the assembly gathered, in the priest, and above all in the Eucharist, the Father once again gives His Son. What looks like bread and wine is the drama of the Trinity, laboring to love us here and now.

The Trinity is not a puzzle to solve but the blazing Truth at the center of everything: the Father gives the Son for you and me. Lord, help us to see this more clearly.

— Father John Muir

**THIS MONTH'S VIA FIDELIS ACTIVITY:**  
**LEARN ABOUT A PARTICULAR MARIAN APPARITION**  
 It is important for us to always strive to better understand how Mary's intercession and the messaging of her apparitions help us to clearly see God's will for us and for the Church.

*Each Sunday in May, the bulletin will feature a different Marian apparition or devotion site.*

Our Lady of La Leche in Florida is a cherished Catholic shrine known for its deep sense of peace and maternal devotion. Located in St. Augustine, it honors Mary nursing the infant Jesus, a rare and tender depiction that draws visitors seeking comfort and hope. The shrine traces its origins to the early 1600s, making it one of the oldest Marian devotion sites in the United States. Many people visit to pray for fertility, safe pregnancies, and healthy families, continuing a tradition that has lasted for centuries. The small chapel on the grounds feels intimate, inviting quiet reflection beneath its simple wooden beams. Surrounding oak trees and historic mission grounds add to the sense of sacred history. Pilgrims often leave written prayers or return to give thanks for blessings they believe were received through Mary's intercession. Today, Our Lady of La Leche remains a symbol of faith, resilience, and the enduring human longing for nurturing and protection.

This shrine is located approximately 3.5 hours from Hilton Head Island is an easy day trip or weekend trip. The shrine is also the start of the National Eucharistic Pilgrimage that begins today, May 24th!
