

**Tennessee Family Support Program
@Orange Grove Center
2026-2027 Application**

The **Tennessee Family Support Program** is a grant program funded through the Tennessee Department of Disability and Aging (DDA). Funding is available for services and supports that are not otherwise covered by insurance or other resources. Please refer to our website for more information about services and supports covered by the Family Support Program.

The program is limited to State of Tennessee residents who have a severe disability {see below} that is life long, permanent and results in significant limitations in their daily life. Funding is available to eligible individuals of *all ages and income levels*.

The primary focus of the Family Support Program is to provide services to those who:

- 1) Were born with a severe or developmental disability or acquired it in childhood
- 2) Have been severely disabled by injury or trauma {brain injury, spinal cord injury, loss of limbs}
- 3) Or have a neurological/neuromuscular disorder {ALS, Muscular Dystrophy, or Multiple Sclerosis}

Due to limited funding, not all applicants who are eligible may be selected to receive funding.

Applicants are not guaranteed to be selected for funding from year to year. Selection will be based upon priorities set forth by the District 3 Family Support Council.

Although applications are accepted year-round, open application period is January 1st thru April 15th of every year. The fiscal year 2026-2027 will begin July 1, 2026 and end June 30, 2027. **Funding will not be available until after July 1, 2026.**

Please note:

Individuals who are enrolled in the Katie Beckett Waiver, ECF Choices Program, DIDD Waiver Program, TennCare Choices Program or Pace Program are not eligible to receive Family Support Program Funding. *Mental illness and aging related disabilities are not covered by the Family Support Program.*
