**ORANGE GROVE CENTER WELCOMES DR. ROBERT BOEHM AS MEDICAL DIRECTOR**

*Chattanooga, TN-* Orange Grove Center welcomes Dr. Robert Boehm as the Health Care Clinic's Medical Director.

Dr. Boehm graduated from University of Tennessee College of Medicine in 2000, and he completed an internship and a residency at the University of Tennessee Medical Center in Knoxville in 2004. Dr. Boehm has practiced as a hospitalist for ten years and in primary care for five years.

The August McCravey Health Care Clinic is a full service primary care clinic that provides treatment utilizing the Patient-Centered Medical Home model to any adult who chooses to make the clinic his or her primary care home. All services and procedures are rendered by professionals attuned to the cognitive, social, emotional, and behavioral nuances of individuals with intellectual and other developmental disabilities.

**About Orange Grove Center**

Established in 1953, the Orange Grove Center is a private, non-profit organization serving adults and children with developmental and intellectual disabilities. Orange Grove serves approximately 1,000 individuals, and employs over 800 staff to provide a wide array of community services. For more information, visit: [www.orangegrovecenter.org](http://www.orangegrovecenter.org); Follow them on Facebook, Twitter, Instagram, and LinkedIn: @OrangeGroveCtr
