**VOLKSWAGEN CHATTANOOGA EMPLOYEES VOLUNTEER AT ORANGE GROVE CENTER DURING TEMPORARY PRODUCTION SUSPENSION**

**Chattanooga, Tenn.** – Orange Grove Center was the fortunate beneficiary of a semiconductor shortage on Thursday, June 17. Orange Grove welcomed a Management Team from Volkswagen Chattanooga to the campus to remove weeds, and spread bags of mulch in the front garden. The volunteers also trimmed branches, removed litter, and worked on playground beautification. Even though production was stalled at Volkswagen Chattanooga, their hands weren't idle!
