ABOUT THE TEACHER

I love teaching VPK. I have taught at Liberty Christian School over 10 years and get excited each August when school starts. It's amazing how much these four year olds can and will learn in the months I have them in my class. I make learning fun with games and hands on activities.

One of the highlights of our year is the VPK race day. Children compete for a medal and trophy to see who is the fastest girl and fastest boy.

When I'm not teaching I love spending time with my husband, grandchildren and dog Belle. I also enjoy teaching a ladies Bible study class and having tea parties with my quilting friends.

One of my favorite Bible verses is:

Philippians 4:13

I can do all things through Christ which strengtheneth me.
