

Good for People. Great for Business.

Why hire a person with a disability? Because it strengthens your business financially, operationally, and culturally by:

- Reducing turnover
- Improving productivity
- Enhancing your reputation
- Strengthening team dynamics
- Expanding talent pool
- Unlocking available hiring incentives

Employer FAQ's

What incentives are available?

- Tax credits like WOTC and state programs

Is there risk?

- Support includes liability coverage and job shadow opportunities

What about legal requirements?

- Employees meet the same workplace expectations

Are accommodations expensive?

- Often low-cost or funded through Vocational Rehabilitation

Who provides support?

- The Arc offers no-cost, ongoing support for you and your employee
