

C18

The C18 is Cub's most spacious hybrid caravan, offering a luxurious caravanning experience in an 18-foot cabin.

Proudly engineered, designed and built in Australia, the C18 encapsulates Cub's dedication to luxury and quality, built for the unique Australian environment. The addition of an induction cook top is an exciting and new aspect of the hybrid caravan range, as well as the option to utilise an indoor cooking space which elevates the caravanning experience.

Using an innovative design, the C18 offers a spacious ensuite at the rear of the caravan, with a shower space separate to the toilet. Alternatively, this space can be option for two adult-length bunk beds. Cruisemaster AT-X Air Bag suspension allows for a smooth caravanning experience, ensuring that you can set up camp in any situation with the touch of a button.
