

H14

The H14 is a compact 14ft pop top hybrid caravan, proudly made in North Rocks NSW by the craftsmen at Cub. The H14's chassis is formed from Bluescope Steel, reinforcing Cub's iconic Australian Made quality.

Built for adventurers looking for a more compact off-road design, the H14 doesn't sacrifice on luxury. Featuring a luxurious, bright living area, the H14 earns its place in Cub's luxury hybrid caravan range. With a compact, nimble body and Cub's famous off-road capabilities, the H14 also features impressive off-grid facilities allowing you to explore the farthest reaches of Australia. It's perfect for couples travelling Australia in luxury without having to factor in an expensive tow vehicle.

Featuring a north-south Cub King Bed, the H14 is designed to provide comfort no matter where you go. Wherever you choose to Get Lost in Luxury, the Cub H14 has you covered.
