

H16

FROM
\$99,990*

The Cub H16 has been reimagined to deliver even more comfort and off-road performance. With a newly designed layout featuring a separate shower and toilet ensuite, the H16 offers true home-style convenience wherever you travel. Whether you're parked in the bush or by the beach, you'll enjoy the privacy and comfort of a full ensuite — a rare luxury in a compact caravan.

The roof is now GRP moulded, offering improved durability, insulation, and a sleek, modern finish. It's built to withstand the elements while keeping the interior quiet and comfortable.

Underneath, the H16 is equipped with Cruisemaster ATX coil suspension, engineered for serious off-road use. This advanced system provides superior handling and stability, allowing you to tackle rough terrain with confidence while carrying more gear.

Packed with premium features and built for adventure, the Cub H16 is the perfect blend of rugged capability and refined living.

All model specification details are subject to change

‡ The tare, ball weights and towing height are a guide only and will change depending on drawbar layout and accessories fitted to your caravan. Please discuss with a member of the Cub sales team prior to purchase. Each Cub Camper is weighed on completion of build and a precise written weigh bridge certificate is then provided.

*Dealer delivery fees may apply

Please note that all images displayed on this page are for illustrative purposes only and may include optional equipment and features. Please confirm final specifications and features with an authorised Cub Campers showroom prior to purchase.
