READY FOR ADVENTURE

THE OFF-ROAD RANGE OFFERS AN UNMATCHED SUITE OF FEATURES FOR OPTIMUM PERFORMANCE IN ALL TERRAIN. THE ULTIMATE OFF-ROAD ADVENTURE AWAITS.

Each caravan is fitted with Cooper Tyres' toughest all-terrain tyres on eye-catching custom Lotus Caravan wheels.

All Lotus Caravans are built with German marine-grade composite panels in a range of exclusive colours.

The Trooper is fortified with complete checkerplate underbody protection for durability and peace of mind.

With body armour, German-made composite panelling and sleek stealth decals, the Lotus Caravans off-road range has an unmistakable signature look that's built to last. The most durable caravans on the market, our vans are built with a hybrid frame, incorporating both aluminium framing and the industry's strongest timber wall construction. Our signature Trooper caravan comes with a full aluminium frame construction for the benefits of light weight off road ability.

The frame sits on our custom truss chassis, designed to maximise strength and minimise weight, fitted with premium off-road Cruisemaster air bag suspension and the toughest all-terrain tyres on exclusive Lotus Caravan 18" stealth wheels. Tough in any territory, this range can go almost anywhere you want to go. If you're looking for outdoor entertainment, this range has that covered too. Each caravan features an outdoor entertainment pack for gatherings.

ESCAPE TO COMFORT IN THE GREAT OUTDOORS

WHETHER YOU'RE HEADING OFF THE BEATEN TRACK FOR A WEEKEND ADVENTURE OR TRAVELLING ACROSS THE COUNTRY, YOU CAN RELAX AND RECHARGE IN STYLE AND COMFORT IN OUR OFF-ROAD RANGE.

Our off-road range offers luxurious interiors that blend style, comfort, and functionality. Designed with the modern adventurer in mind, our caravans are equipped with the latest innovative caravan technology and advanced features to provide a lavish home away from home. The interior of our off-road caravans is designed to maximise space and light, with high-quality materials and finishes, and a tone of luxury unlike any other.

Each model offers spacious and well-appointed living areas, with comfortable seating and ample storage space. Kitchens are equipped with high-end appliances, soft-close joinery, and sleek, durable countertops, making meal preparation a breeze. The bedrooms in our off-road caravans offer a comfortable and restful sleep, with plush bedding and considered amenities, like charging stations and power points, within easy reach.

The interiors of our off-road range are designed to be as durable and functional as their tough exterior. With a focus on style, comfort, and technology, they deliver a luxurious experience, regardless of the destination. With smart TVs, powerful sound and entertainment systems, and seamless Bluetooth and Wi-Fi connectivity, there is no shortage of modern technology. Fully bespoke, each caravan can be designed and constructed from the ground, for the ultimate, personalised travel companion.

No luxury has been spared in these caravans, creating your private sanctuary, no matter your destination.

An array of lounge options is available across our floor plans, featuring *premium leather seating.

Designed for culinary adventures, each kitchen combines premium craftsmanship with thoughtful design, for uncompromised dining wherever the road takes you.

Each model features stylish, modern furniture, with unique interlocking cabinetry and a range of matte and gloss benchtops, paired with contemporary fittings and hardware. The European-made vinyl flooring and Italian leather lounge seating provide a luxurious touch, while the premium strip lighting adds a warm, inviting ambience. Nearly boundless combinations of options across flooring, benchtops, cabinetry and leather seating mean that you can create a customised interior scheme that reflects your individual style.

INSPIRED BY OUR FOUNDER GEORGE JOSEVSKI'S PASSION FOR RACING, LC CUSTOMS REPRESENTS A NEW CHAPTER FOR LOTUS CARAVANS.

The LC Customs collection of upgrade customisation options not only elevates the aesthetic of an already eye-catching 2025 model range but adds significant functionality to ensure that your caravan delivers the very best experience possible.

The LC Customs Stealth Solar Panel Bracket is thoughtfully designed with lightweight engineering, bolstering an extraordinary 250W of solar panel to enhance your off-grid connectivity while ensuring minimal drag force or additional weight.

Crafted with influence from the motorsport world, the LC Customs Drag Wing integrates with the contours of your caravan for maximum sophistication. Spill plates enhance towing stability by minimising wind interference to enhance your safety when towing, while an integrated worklight adds safety, security and functionality.

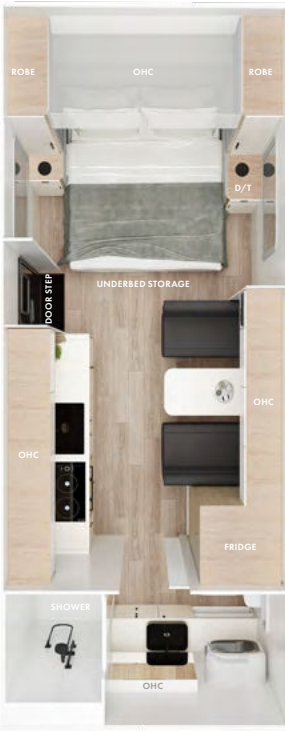

Maximising your supply capabilities on the road, the LC Customs Toolbox integrates the best parts of storage and utilities into one functional space, with features such as tub storage on both sides, a sink, replaceable stone guard pads, and provision for both bikes and e-bike racks.
