INSPIRED BY OUR FOUNDER GEORGE JOSEVSKI'S PASSION FOR RACING, LC CUSTOMS REPRESENTS A NEW CHAPTER FOR LOTUS CARAVANS.

The LC Customs collection of upgrade customisation options not only elevates the aesthetic of an already eye-catching 2025 model range but adds significant functionality to ensure that your caravan delivers the very best experience possible.

The LC Customs Stealth Solar Panel Bracket is thoughtfully designed with lightweight engineering, bolstering an extraordinary 250W of solar panel to enhance your off-grid connectivity while ensuring minimal drag force or additional weight.

Crafted with influence from the motorsport world, the LC Customs Drag Wing integrates with the contours of your caravan for maximum sophistication. Spill plates enhance towing stability by minimising wind interference to enhance your safety when towing, while an integrated worklight adds safety, security and functionality.

Maximising your supply capabilities on the road, the LC Customs Toolbox integrates the best parts of storage and utilities into one functional space, with features such as tub storage on both sides, a sink, replaceable stone guard pads, and provision for both bikes and e-bike racks.
