

COMPOSITE ALUMINIUM CLADDING

The exterior of our Executive caravan in Melbourne and beyond has been designed with durability and longevity in mind, ensuring that it will withstand Australia's harsh climate with ease. This includes double glazed windows, screwed and glued Meranti frame, stunning composite aluminium cladding, and is fully insulated. Be sure to see the massive spec listing, as standard, we have for all of our caravans.

FULLY EQUIPPED INTERIOR

The interior of our Executive caravan provides you with a home away from home, ensuring that you have access to all of the amenities that you would expect and some that you would consider luxuries. All models feature LED down lighting and stunning bathroom facilities (a toilet, sink and shower) so that you never have to trek across the park to shared facilities again.

QUALITY FURNITURE & APPLIANCES

All furniture is made from 15mm ply, meaning that it is lightweight without compromising its strength. We also use high quality LED lights to ensure that you can always see what you're doing. We only use the best quality appliances, designed specific for caravan use, including: an oven, refrigerator, microwave and gas/elec hotwater system.

SPECIFICATIONS

CHASSIS	
Chassis	6-inch box section chassis rail
