Last week's Challenge	

GOSPEL – 33rd Sunday in OT - We are entering into the end of the Liturgical Year!

- [Opening the Word](#) - Wars, famines, persecution, plagues, earthquakes, and signs falling from the skies are the warnings Jesus gives his listeners. How and when these times will come, only God knows. It is enough for Jesus to exhort his disciples — and all believers — to remember: "By your perseverance you will secure your lives."
- [Daily Reflection](#) – The readings at the end of the liturgical year remind us that there will be an end to the world and we need to be sober and prepare for that.

FEAST – St. Cecilia - Nov. 22

- [Ode to Saint Cecilia](#): Ode to Saint Cecilia tells the dramatic story of a modest young woman from Rome whose life transcends time to influence poets, composers, sculptors, and painters. AUDIO
