The goods and services shown below are those we can provide to our families. You may choose only the items you desire. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

PROFESSIONAL SERVICES

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF **\$ 3,410.00**

Our basic service charge includes, but is not limited to, staff to respond to initial request for funeral; arrangement conference with family or responsible party; preparation and filing necessary certificate and permits; shelter of remains; placement of obituary notice; planning of funeral arrangements; and coordination of service with cemetery, crematory, or other third parties as required. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING **\$ 920.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. It is the policy of Collier's Funeral Home to require embalming when there is viewing/visitation and/or funeral services with casketed remains present at the funeral home.
