

NordicTrack *Ultra 1*

Reform RX

Built for those who want the most advanced reformer on the market, the Ultra 1 Reform RX is the gold standard in connected Pilates. Featuring push-button resistance, real-time performance feedback, and an integrated Pilates chair, it enables an unmatched repertoire of movements while ensuring consistency and precision. With extended travel for taller populations and dual step-up platforms for expanded programming, this reformer is designed to power the future of movement in premium fitness environments.

Ultra 1 Reform RX

Product Features

- Integrated Pilates Chair: Enables a broader movement repertoire without additional equipment. A Pilates Chair, built into a Pilates reformer design, for the first time
- Extended Travel Range: Greater spine range supports advanced movement and taller populations
- Full Feature Set: Dual step-up platforms and limitless footbar (8 lock points)

BEST-IN-CLASS INNOVATION

- Built-in safety features for confident, focused training
- Reform RX features the innovative Smart Spine™ system - a fully enclosed spring chamber that enhances safety and helps prevent injury
- Push-button resistance engages instantly; no manual spring hooking required
- Carriage must be fully docked to change resistance - ensures safer, consistent usage

SMARTER: INTEGRATED CONTENT + REAL-TIME PERFORMANCE

- 24" commercial-grade touchscreen with access to Reform RX content
- Smart Spine™ uses time-of-flight sensors to track watts, force, and velocity with 1/1000th-second precision, ideal for power and strength training

PREMIUM QUALITY: DESIGN & BUILD

- Springs are significantly thicker and more durable
- Dual foot platforms and hand/foot bars at both ends to support full-body movement variety
- 6x anodized aluminum on footbar and spine for wear resistance and smooth glide
- Accessories: jumpboard and box unlock cardio training and scalable movement options.
- Meets rigorous commercial grade testing standards supporting user weight up to 375 lbs (170 kg)

INFINITY FOOTBAR

- An infinity footbar maximizes your training potential with 8 different locking positions
- A secondary two-step platform at the back of the RX, offering you increased range of movement.
- Ergonomic handles positioned on all four corners of the carriage for safety and functionality.

Specifications

Display Type	24 in (61 cm) full color capacitive touch display (Xenon 1.0)(Tilt)
Number of Programs	300+
Workout Metrics	Watts, force, velocity, calories burned, heart rate and power output
Carriage Material	Antimicrobial Vinyl
Built in handles/grips	4 built in handles
Extrusion Frame Material	Aluminum
Footbar Positions	8 positions
Strap type	Dual-loop design for hand and foot placement
Strap Adjustments/ Cable Management	Retracts via pulley to remove slack
Additional Foot Strap	Yes
Speakers	2 Integrated rear speakers
Safety Features	Enclosed springs, no gulley, push-bottom resistance, carriage must dock to change resistance
Height Accessibility	4'10" – 6'9" (1.5m - 2.1m)
Smart Spine™	Time of flight sensors
Color Options	Midnight blue
Included Accessories	Integrated chair
Jumpboard Included/Optional	Optional
Maximum User Weight	375 lbs (170 kg)
Max Resistance Load	143 lbs (65 kg)
Resistance Levels	4 levels: 22-143 lbs (10-65 kg) Green button - 22 lbs (10 kg) Blue button - 33 lbs (15 kg) Red button - 44 lbs (20 kg) White button - 44 lbs (20 kg)
Product Dimensions (L x W x H)	127 x 27.5 x 15.5 in (322.58 x 70 x 39.4 cm)
Product Weight	244 lbs (110.5 kg)
Power Requirements	U.S. & Canada 15 Amp, dedicated circuit International 10 Amp, dedicated circuit
Warranties US, Canada & International	5 years - Frame 12 months - Tablet 12 months - Components
