

Plenty of Places Expands Denver Footprint with Acquisition of Carraway Apartments

Carraway Apartments offers top-of-market finishes and sustainable living in Platt Park, one of Denver's most sought-after neighborhoods

LONG BEACH, CA – July 30, 2026 – Plenty of Places Apartment Homes, a privately held real estate investment and management firm, today announced the acquisition of Carraway Apartments, a 42-unit luxury apartment community located in Denver's highly coveted Platt Park neighborhood. This purchase represents the California company's 16th multifamily transaction in the region, managing more than 1,400 units out of its regional office in Lakewood, CO.

Carraway Apartments is located at 1190 S. Pennsylvania St. with access to major employment hubs in Downtown Denver, Cherry Creek, and the Denver Tech Center. Constructed in 2022, the building features stainless steel appliances, custom built-in closet systems, and full-size in-unit washers and dryers. The community features superior modern sustainability with acoustic insulation and an all-electric, solar-ready design.

"Despite a soft rental market and high interest rates, we continue sourcing and acquiring high-quality multifamily assets like the Carraway. Plenty of Places is active in the market as a strong buyer with the ability to execute smoothly," said Kristina Sorency, Vice President. "Carraway's location and design align perfectly with our acquisition strategy and commitment to providing exceptional communities for our residents."

About Plenty of Places Apartment Homes

Plenty of Places Apartment Homes is a privately held real estate investment and management firm with offices in Denver, Colorado, and Long Beach, California. They own and operate a portfolio of commercial real estate and more than 2,700 rental units across California, Nevada, Colorado, and Arizona. The firm is focused on acquiring more multi-family properties and is positioned to respond quickly to investment opportunities.
